

FINANCIAL AID

ACADEMIC STANDARDS FOR FEDERAL FINANCIAL AID AND EOP FUNDING

In order to receive federal grants and/or loans and EOP funds a student must meet the satisfactory academic standards for receipt of federal financial aid.

All credits attempted, whether or not the student ever received financial aid, must be evaluated in order to determine if a student is eligible for financial aid in subsequent terms. Program standards for financial aid will be evaluated at the end of each semester. Non-credit course work will be evaluated according to the University standards. A student who fails to meet the progress standards, but who is permitted to remain in school as a matriculated student, will be allowed one semester on financial aid probation. Only one semester of financial aid probation can be granted to a student.
